## Participants registered by Activity, Age Group, Dbls & Mixed Dbls as at 4/18/2025

Some people register with pre-arranged partners and some don't. I will give everyone a chance to register with their partner until Opeing Day (April 26). Then on that weekend, I will go ahead assign partners for these events based on the best age division outcome - that is, try to ensure we have competition in each age divisions if possible.
